The presentation contains forward-looking statements regarding the advantages of the Wand Dental Instrument. These statements represent the views and opinions of the presenter and may not represent the prevalent views and opinions of dental professionals, presently or in the future. The views and opinions of the presenter may be affected by future results of dental professionals utilizing the device, adverse patent rulings, FDA or legal developments, competitive pressures, changes in customer and market requirements and standards, and risk factors detailed from time to time in Milestone's periodic filings with the Securities and Exchange Commission, including without limitation, Milestone's Annual Report for the year ended December 31, 2016. The forward-looking statements in this presentation are based upon reasonable beliefs as of the date hereof. Milestone undertakes no obligation to revise or update publicly any forward-looking statements for any reason. Please note that, from time to time, Milestone may compensate its key opinion leaders for participation in and/or attendance at sponsored events on its behalf. Any such compensation is made without regard to the opinions and conclusions expressed by any such individual.
